Christian Schools International

2022–2023 CSI Product Catalog

THE FUTURE OF CSI CURRICULUM

As of May 4, 2022, we have determined that CSI will discontinue the production of any additional science materials, as the cost of an update is unaffordable and the market for it is limited. If you are using our science textbooks, please be aware that we will not have any more product to sell once the current inventory is gone.

On the other hand, we do intend to maintain our inventory of Bible curriculum materials for the present. We are actively considering our next steps in this area as we have a unique product, and it is certainly an aspect of our mission. We do understand that it needs to be updated, and we are working on examining various options for taking on that task.

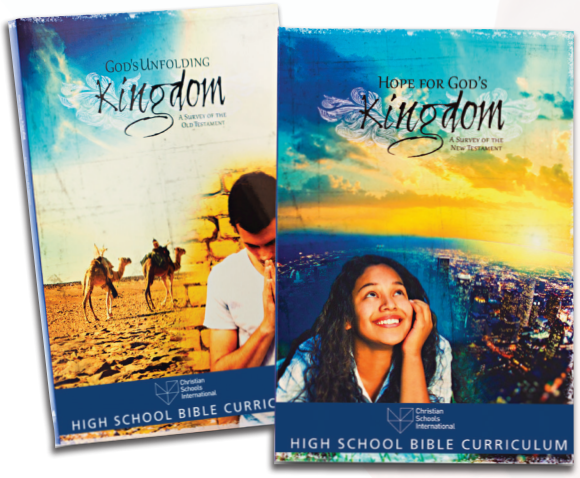
High School Bible
Grades 9–12

Our Bible curriculum for high school is relevant, scholarly, and rich in reformed worldview. Our curriculum calls students to examine their lives and the role they play in God's kingdom.



God's Unfolding Kingdom

This study of the Old Testament begins by mapping out the "one big story" of the Bible. From there, students learn about the calling of God's people and of God's faithfulness to them as a nation and as individuals.

Hope for God's Kingdom

The earthly ministry of Jesus changed the world. This curriculum focuses on Jesus' ministry, as well as the early church, and concludes with a study of the Revelation of John.

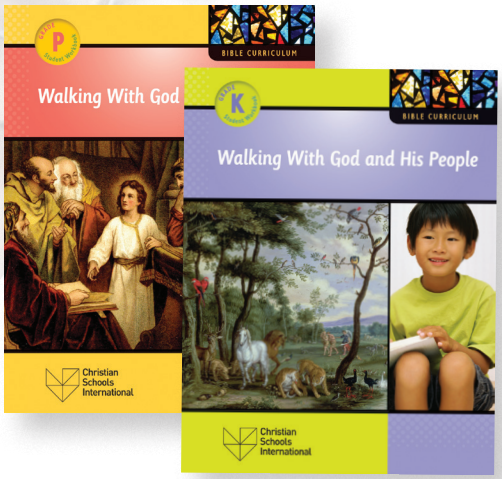
Walking With God and His People

Bible curriculum that brings the Word to life

Christian Schools International's Bible curriculum for **grades preK through 8** provides an excellent and engaging course of study of God's eternal Word.

Comprehensive and user-friendly for both teachers and students, *Walking With God and His People* provides multiple enrichment activities that appeal to a variety of teaching and learning styles. The curriculum focuses on God's story and how it has been revealed to his people. Students learn about themes and biblical characters within the historical context of the Bible. The units build on each other over time, providing learners with insight and information on all of God's Word. Our curriculum is written by teachers, for teachers. With their help, we've put together a curriculum that is flexible, thoughtful, and steeped in Christian worldview with a reformed perspective.

Walking With God and His People is an academic course designed to study the Bible in depth, including instruction on the use of tools such as footnotes, maps, and concordances. Students learn about the Bible itself—its history and structure—as well as its overarching themes and storylines. They learn how to use the Bible appropriately in order to understand God's will and shape their own lives.



PreK

This overview of the Bible introduces young students to Old and New Testament people, places, and situations that illustrate God's care and love.

	SKU	Regular Price
Teacher Guide	WA1209005	$127.00
Workbook	WA1209012	$15.90

Kindergarten

Focusing on God's care for his people, students dig deeper into the Old and New Testaments to discover the connections between them. Workbook activities support Bible passages and memorization.

Walking With God and His People

Grades PreK–4

Grade 1

An overview of the Old and New Testaments is followed by a focus on God's perfect creation, the introduction of sin, and God's promises. Activities explore what it means to believe in God and what faith requires of us.

	SKU	Regular Price
eTeacher Guide	WA1209558	$112.25
eBlackline Masters	WA1209657	$29.00
Teacher Guide	WA1209043	$150.25
Workbook	WA1209050	$15.90

Grade 2

This grade level explores God's promise of a Messiah as explained in the New Testament. Students are challenged to express their faith, find ways to apply it, and learn how Peter and Paul responded to their salvation. Workbooks include hands-on crafts, learning activities, and memory verses.

	SKU	Regular Price
eTeacher Guide	WA1209565	$112.25
eBlackline Masters	WA1209664	$29.00
Teacher Guide	WA1209067	$150.25
Workbook	WA1209074	$15.90

Grade 3

A study of the Old Testament examines what it means to be created in God's image. Lessons discuss a Christian's identity in relationship to God and what that promises and requires. Workbooks contain a Bible dictionary with color photos and maps.

	SKU	Regular Price
eTeacher Guide	WA1209572	$112.25
eTest Bank	WA1209099	$27.50

Walking With God and His People

Grades 5–8

Grade 5

This study of the Old and New Testaments examines God's covenant promises as they unfold from the exile through Jesus' early life and ministry. Lessons focus on leaders and how God prepares people to work in his kingdom.

	SKU	Regular Price
eTeacher Guide	WA1209596	$112.25
eTextbook (1 year)	WA1209045	$13.25
eTest Bank	WA1209136	$27.50
eBlackline Masters	WA1209695	$29.00
Teacher Guide	WA1209128	$150.25
Textbook	WA1209142	$45.30
Workbook	WA1209135	$15.90

Grade 6

Students draw connections between the Old and New Testaments by reviewing Jesus' ministry, death, resurrection, and ascension. The lives of Peter and Paul and the letters from the apostles show how everyday people can be involved in building God's kingdom.

	SKU	Regular Price
eTeacher Guide	WA1209602	$112.25

And It Was Good:

Teaching Science from a Christian Worldview

And It Was Good, available for **kindergarten through middle school**, provides sample lessons that fully integrate the Christian faith with science and engineering instruction. The lessons provide a template for teaching that can be used with any science curriculum, Christian or secular.

Seamlessly integrating faith with current science education standards and practices demonstrates to students that every inch of creation has been fashioned by God's design. ***And It Was Good*** provides a model for incorporating Christian worldview into science education without compromising either faith or scholarship.

Science 2nd Edition

Let's find out about God's world!

Science is how we come to understand God's marvelous creation and the systems put in place by his hand.

CSI's ***Science 2nd Edition*** curriculum is a hands-on program that encourages students to become actively involved in scientific discovery. The concrete, creative learning experiences are based in God's Word and will enrich students' knowledge of creation, affirm their faith in the creator, and enable them to use science to the glory of God.

Our science curriculum is available for kindergarten through middle school. Based on teacher feedback and educational best practices, this curriculum helps students and teachers get the most out of each lesson. The goal is to help students become creative problem solvers and to develop a sense of stewardship for God's creation.

Textbooks include:

- Readings to reinforce the concepts presented in the classroom
- Colorful photographs, illustrations, graphs, and diagrams
- A glossary of scientific terms (with pronunciation guides)
- Questions to promote recall and synthesis of ideas and concepts
- Sidebars with enrichment information
- For grades 3–9: Colored tabs easily differentiate units, and unit and chapter page numbers appear in the table of contents for quick reference.

Easy-to-use teacher guides include:

- Flexible options for lessons, activities, and cross-curriculum planning
- Student objectives and project ideas; vocabulary; discover activities; and options for reinforcement, review, and assessment
- A list of contemporary science resources for students and teachers
- Blackline masters for activity sheets as well as tests

Ordering Information

Ordering

Visit **store.csionline.org** or email **sales@csionline.org** to place an order. Order confirmations, invoices, and shipping information are sent to the email address of the person placing the order. Visit **store.csionline.org** for current promotions and price changes. Canadian customers will be charged the current exchange rate. Other international customers must pay in US dollars by credit card or wire transfer.

Please note, all orders must be placed with a credit card. In the event that an order must be paid by check, the order will process once the check has been received.

Return Policy

Returns of purchased items are not guaranteed; all returns are subject to review, and no returns will be accepted on eCurriculum. Please contact us prior to sending materials for return. Please contact us immediately if products arrive damaged. For more details on our return policy, please visit **store.csionline.org/returns**.

Processing & Shipping

The store is closed on US national holidays and weekends. Orders placed on these days will ship the next business day. Please allow 1 week for delivery in North America. Orders are generally processed within 24 hours and shipped via UPS the next business day. Christian Schools International is not responsible for damaged or missing items reported 30 days after the shipping date.
