

Thank You!

Thank you for your recent purchase of Christian School International's Electronic Curriculum!

Once your order has been processed, a link will be sent through Hightail-Opentext that will give you access to your eCurriculum Files. Please Note: eTeacher guides and eTextbooks do not allow any pages to be printed or for any parts to be shared electronically; PDF view only.

At Christian Schools International, we are committed to equipping teachers for success. That's why we provide comprehensive curriculum products, guides, and digital options to help teachers be engaging and effective. With the help from teachers just like you, we've developed curriculum that is flexible, thoughtful, and steeped in Christian worldview with a reformed perspective.

Additionally, our Bible and science curriculum gives students an in-depth knowledge of the Bible, a strong faith foundation, and high-quality content that they can take and adapt per their school's needs.

We hope that you enjoy your Christian Schools International curriculum. If you have any questions regarding the eCurriculum, or are interested in a consultation from our Curriculum and Instruction Bible Specialist or our STEM Education Specialist, please do not hesitate to ask.
