A Powerful Bible Curriculum for Christian Educators

For more than 80 years the Christian Schools International Bible curriculum has been a respected resource for Christian schools throughout the U.S., Canada, and the world. The Bible curriculum—*Walking With God and His People*—carries on that tradition. Solid in theology and Bible instruction, *Walking With God and His People* was developed to ensure a strong and lasting connection with students. The goal is to equip students with the knowledge they need to understand and believe God's word, and to reflect that relationship and faith by living lives of gratitude and obedience.
