William F. Cook III

The IVP Bible Background Commentary: New Testament, 2nd edition

Craig Keener

Short Studies in Biblical Theology series

This series is designed to help readers see the whole Bible as a unified story—culminating in Jesus. In each volume, a trusted scholar traces an important topic throughout God’s word, from Genesis to Revelation, and explores its relevance to the Christian life. Insightful, accessible, and practical, these books are accessible bite-sized introductions to major themes in the Bible.

Knowing the Bible series

Designed as 12-week Bible studies, these books still offer many insights and ideas for the classroom. Each week provides brief insights into The Place of the Passage, The Big Picture, Reflection and Discussion questions, Gospel Glimpses, Whole-Bible Connections, Theological Soundings, and Personal Implications.
