

# Moon Phases

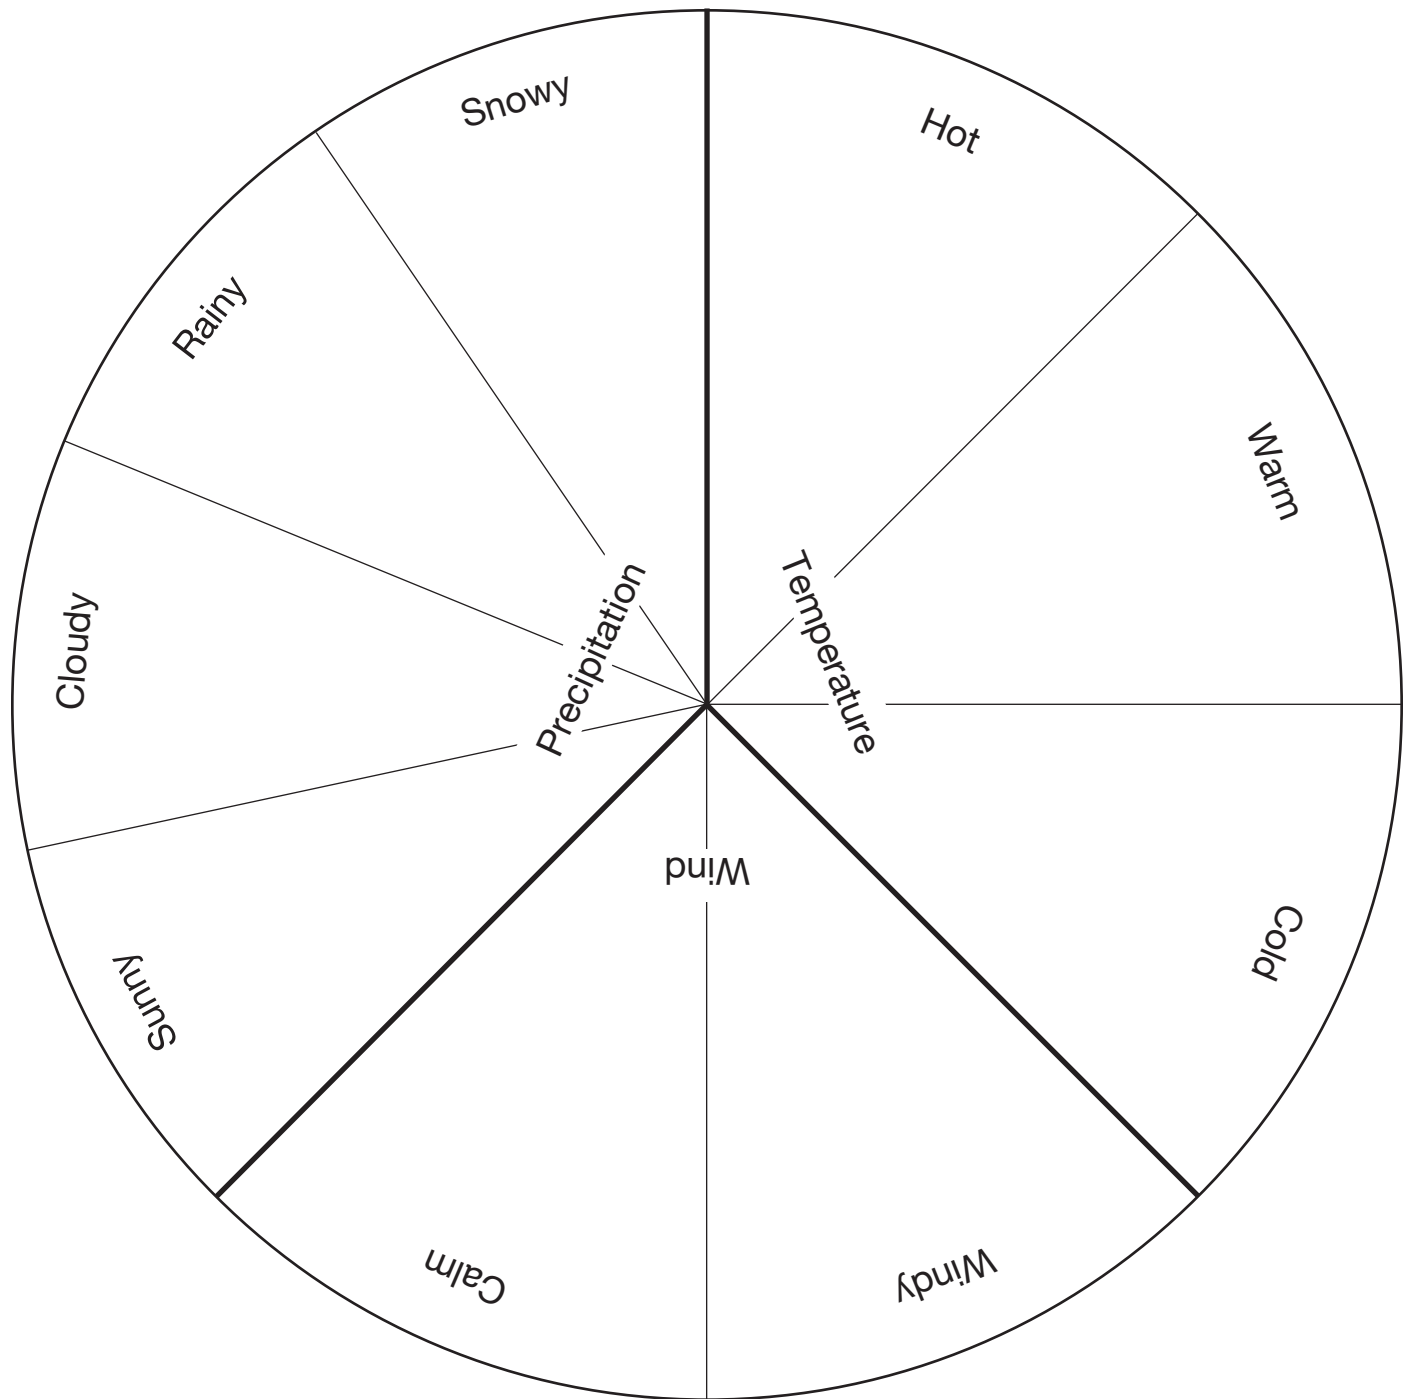

I observed these phases of the moon.

A grid of five empty circles for observation, each with a horizontal line below it for labeling:

- Top row: Three circles with lines below them.
- Middle row: Two circles with lines below them.
- Bottom row: Two circles with lines below them.

# Signs of Spring

Put an X on the things that are not signs of spring.  
Color the things that are signs of spring.
